

## LANDER VALLEY SPORTSMEN'S ASSOCIATION

[www.lvsa.info](http://www.lvsa.info)

GREETINGS SPORTSMEN,

May 2006

A big THANK YOU goes out to Ms DJ Strickland for chairing the Winter Fair booth and to those that helped by working shifts. It was attended by 100's of the kids from around the county! It also demonstrated that LVSA has many programs available to educate and participate in and serves to fulfill your work credit for the year. A suggestion has been made that the club set up the BB-gun range at the Fremont County Fair. Let's here from you volunteers-we will need a chairperson and shift workers.

The results of the April election of Officers: President Roger Sebesta, Vice President Carolyn Cain, Secretary/treasurer Tom Banks, Chief instructor Pat McCoy, Range Chief Bruce Campbell, and elected to the board of directors Fred Tammany and Dudley Irvine. Thanks to George Burtis for serving on the board and Dudley Irvine for all the years of keeping the club records as secretary/treasurer.

Brian McCoy has the LVSA web site up and running. Check it out at [www.lvsa.info](http://www.lvsa.info). Be sure to register your email address while you're there. You will also find lots of useful information such as the range schedule, match results, newsletters, want ads and much more.

During the pistol class several comments were received about the poor quality of the TV video. Dave Tafoya felt strongly enough to donate a new, unfired .44 cal. black powder Italian 1851 Colt revolver to the club to use to raise money to up grade that TV. Contact Pat McCoy 332-3103 to make an offer to purchase the pistol.

LVSA will again host the State Championship matches for smallbore and high power rifle silhouette. SB is July 1&2, HP is Aug 19&20. This will offer another chance to earn your work credit by helping set up and run the matches or if you like you could run some burgers and dogs across a grill. Contact Roger Sebesta 335-9323 if you can help.

We still have tickets on the Remington 700 ADL Synthetic .25-.06! The drawing will be at the end of the sight-in day Sept 15. Be sure to get your name on several of the \$1 tickets or a book of 6 at \$5. And speaking of Sight-in day, we will need a chairperson and volunteers to help with that event as well.

The indoor season is over for most. That means the outdoor season including the Monday work nights will be starting June 5<sup>th</sup>. The work list is not very detailed so far—the weed battle, move some dirt for target berms and repaint the range sign.

Our next scheduled club meeting will be Wednesday, September 6<sup>th</sup>, 2006 at 7:30pm. Don't forget that May is the month to send in your big game license applications!! Good luck and good hunting!

Roger Sebesta  
President
