

# LANDER VALLEY SPORTSMEN'S ASSOC.

December-2008

Greetings Members;

Did you have an enjoyable fall? Do you have a freezer full of natural, organically grown, Wyoming meat? I know some of you even ventured to other locals to participate in hunts and had memorable trips. You are encouraged to bring photos and tell of your experience at any of the monthly meetings

The LVSA Range Schedule for '09 is included and once again you'll find some new events for your enjoyment. Be sure to check out the night tactical shoots.

Again I ask users of the outdoor range to help others by replacing the orange target socket markers after use. Please also make use of the snow scraper and keep the steps and apron as ice free as possible.

There are a couple of matches this month. There is a 3 Position gallery match on the 6<sup>th</sup> and Cowboy Action on the 13<sup>th</sup>. Any questions should be directed to the phone contact listed near the top of the calendar.

With the new crew taking over the White House are you sure that you have all the firearms and ammo you need. With the economy I'm expecting all sorts of tricks to come out attached to 'must pass' legislation.

**Sherry Davis** of Lander is the happy winner of the '08 rifle raffle. The package was a Savage 110GPX in .270 Win. Congratulations. Thanks to all that put their names on tickets. The Past Shooters have said they will again help the club with money to purchase another raffle item.

The Junior Rifle Club Foundation received several books relating to reloading, action pistol and self-defense. Contact Dan Thomas or Pat Mc Coy for the titles and cost. All proceeds go to the JRFCF.

Have you noticed the new sign on the indoor range? It was designed and constructed by Susan Grinels. Her Lander business is Wyoming Sign Works.

Once again, LVSA will open the indoor range at 7PM, Dec 26,<sup>th</sup> to new owners of air or rim fire guns. There will be a short safety talk and then they will be allowed to shoot, under guidance.

The 2009 Winter Fair is scheduled for March 12-14. We expect to have a table and our pellet gun range there. This is a great opportunity to earn your work credit for the year! We will have sign up sheets available at The Good Place. Vice-President Caroline Cain is the lead person for the fair. She can be reached at 332-6478.

Merry Christmas and Best wishes for 2009
