

Greetings LVSA Members,

As the daylight hours shorten and the temperatures drop, it is again time to prepare for fall activities. Whether your favorite is hunting, fishing or just enjoying the outdoors please do it safely and with sportsmanship.

Did you get your rifle drawing tickets and money turned in to get in on this years rifle? The 700 Rem. ADL is in .243 Win and wears a synthetic stock. Tickets are still available at McCoy Agency 332-3103, The Good Place 332-3158 or Anytime Fitness 332-2811. The drawing will be Sept 16<sup>th</sup> at the close of the public sight-in day.

WE HAVE A WINNER!! Lloyd Dennis cleaned the Mid-range target with 100-8X to gather in the \$92 pot on Aug 7th. That means 92 shooters were unable to do so previously. It also means he kept 8 of the 10 shots in a 2" circle at 600 yards shooting a 6BR. Congratulations! Bruce Campbell has organized the events for several years. You'll have to watch the '06 schedule to try your favorite rifle.

LVSA helped Jodi Alley with expenses after she was invited to the National 3 Position Air Rifle Championships at Bowling Green, KY. Alley fired a qualifying score in the State match on April 16. She has offered her thanks to LVSA and reported that she finished 10<sup>th</sup> in the nation; only missing the finals by 2 points. She expressed a desire to earn another trip next year and attain her goal of getting into the finals.

The indoor season will be here soon. Pat McCoy has set dates for a Kids Basic Class. It will start Sept 29<sup>th</sup> and continue for 5 weeks. Spread the word to those that may be interested. YES, adult help will be needed to watch and help on the firing line.

Anyone interested in shooting sporting 22 matches? Could be the TQ silhouette target or the A-32 Light rifle bull, either 3 position or standing? Let me know at 335-9323. Thanks Roger.

LVSA hosted both smallbore and high power State Championships. Shooters from AZ to WA attended. Tyler Kamp, Daniel, WY became the 1<sup>st</sup> junior shooter to win a CHAMPION Trophy by winning the SB standard rifle. The SB hunting rifle title went to Ogden, UT with Charles McAbery. Loren Peter, Vancouver, WA earned both HP CHAMPION trophies.
