

## FATHER'S DAY Rifle silhouette results from June 15, 2008

Ronald Kamp, Daniel once again won both high power rifle divisions. His standard score was 28 and a 26 in hunter. The weather was grand, bright, clear and nearly calm. This month the high power guns had the early matches and were followed by smallbore. Roger Sebesta took the class AA wins in both by posting 20 in std and 17 in hunter. Dennis Thomas, Douglas toppled 14 to win class A in std.

It was 1PM when the smallbore portion of the days matches started and the temps pushed 80 degrees, with twitching wind flags and moderate to severe mirage. Sebesta put up the winning scores in smallbore with 32 in std and 31 in hunter. Kamp's pair of 24's took 1<sup>st</sup> in master/AA combined. Anthony Fuller, Wheatland won the combined A/AA with 25 in std. Thomas turned on the pressure and captured the hunter A/AA with a 23.

This was the final 'approved' match of the season. July 19 & 20 LVSA will host the State Championships in smallbore rifle silhouette. The championships require NRA and WSSA membership, both will be available at the range. State championship matches are 'registered' events. Come set a national record. The program can be found on the [lvsa.info](http://lvsa.info) site. Any questions about the event please contact Roger 335-9323
